FIBP Report

FIBP has had a busy month. We finished up our competition season by sending Danielle Stewart to Virginia Beach for the national lifeguard competition where she placed top 30 in two separate individual events. Also, this month we had the privilege to recognize Will Douds as a Fenwick Island Beach Patrol's Chamber of Commerce guard of the year for his outstanding performance this summer.

As guards return to school our staff is significantly reduced. As a result, we will have limited transportation services as well as reduced stands. We will be spreading our staff to ensure adequate beach coverage throughout Fenwick.
